² The parties are reminded of their continuing duty to update their discovery responses pursuant to Fed. R. Civ. P. 26(e). This includes responses to initial disclosures pursuant to Rule 26(a), as well as interrogatories, requests for production, and requests for admission. Further, the discovery deadline means that all discovery must be concluded, as opposed to simply requested, by the discovery date. Further, absent approval by the Court, there will be no continuation of discovery beyond the discovery deadline. If counsel or the parties extend discovery by agreement, there will be no supervision or intervention by the Court, such as a Fed. R. Civ. P. 37 request for sanctions, without a showing of extreme circumstances. Parties who undertake discovery beyond the discovery deadline do so at the risk the Court may not permit its completion before trial.
